## EXPLANATION OF THE ATTACHED NOTICE

## ∼ Nebraska ∼

The Nebraska Department of Insurance requires the attached "Affidavit by Assured" to be signed by all applicants for this type of insurance.

The security behind your policy comes from the world's oldest and largest insurance market, Lloyd's. While Lloyd's is considered a "non-admitted" insurer by the state, Lloyd's is eligible to provide Surplus Lines insurance and fully complies with the state's rules and regulations.

Rated A (Excellent) by A.M. Best, A+ (Strong) by Standard & Poor's and A+ (Strong) by Fitch, Lloyd's has never denied paying a valid claim in its over 300 year history. Several different sources of funding support Lloyd's ability to pay claims, called the "Lloyd's Chain of Security," which includes reserves, trusts, individual and corporate wealth as well as the Lloyd's Central Fund.

The Lloyd's Central Fund and USA Trust can be compared to the Nebraska Property and Liability Guarantee Association in which "admitted" insurers participate. Its financials far exceed the minimum required by the National Association of Insurance Commissioners' model for non-admitted insurers.

We trust this information provides you with some insight and confidence as to the security behind each and every risk that we, Petersen International Underwriters, proudly place at Lloyd's. Visit www.lloyds.com to learn more.
