BUSINESS LOAN FAILURE TO SURVIVE

BUSINESS LOAN FAILURE TO SURVIVE

This unique insurance protection was designed to indemnify a lender for the balance of money at risk given a contractual business loan agreement. A premature death or disablement of the borrower will usually trigger an immediate call on the loan. The protection of other business assets becomes even more essential during this type of situation.

Often times there is a desperate need for urgency when dealing with a loan approval and the funding of the loan. Time is always of the essence and unfortunately insurance protection is often times left unattended until the very end. The speed in which the Bank Loan Failure to Survive plan can be underwritten and bound usually can be measured in hours as opposed to days or weeks. Most applications are ready for issue within 24 – 48 hours. A one page application along with a copy of the loan agreement which provides the financial justification is as simple as it gets.

- Term of insurance up to 12 months
- Renewals are considered if extended coverage is needed
- No medical exam or medical records required to apply
- A copy of the loan agreement is required
