

## **STATISTICS**

Nobody is impervious to a disability. They strike without prejudice or warning. Your ability to earn an income is likely your most valuable – and vulnerable – asset. Could you maintain your lifestyle and meet your financial obligations with your current disability income benefits? May is Disability Insurance Awareness Month and now is the time to consider what your earning potential is. Then determine whether or not you think it's worth protecting more of it.

Average number of months for a Group LTD claim<sup>1</sup>

of today's 20 year olds will become disabled before they retire<sup>2</sup>

of Americans could not cover normal living expenses for a year<sup>3</sup>

Review your income protection portfolio this May to make sure you are financially protected from an unexpected illness or accident.
